Description

Fully and professionally restored. This is a wonderful opportunity to own a genuine Victorian solid brass oil lamp dating to around 1890. It has a beautiful cranberry glass coloured glass reservoir and a superb genuine decorated etched glass shade which is totally original to the lamp. The lamp really stands out because of the fabulous solid brass base which compliments the shade and reservoir beautifully. It has been fully and professionally restored with the brass being bright and crisp yet retaining the patina you would expect from a lamp of this age. The shade, reservoir and chimney are in perfect condition with no chips or cracks and it is extremely heavy. It measures 22" maximum height and the base is 7.0" in diameter. The burner is maked MADE IN ENGLAND. Delivery within mainkand UK is included in the price.
