Description

Fully and professionally restored. This is a wonderful opportunity to own a genuine Victorian Art Nouveau solid brass pair of fire dogs dating to around 1880. They really do stand out because of the fabulous shape which is so of the Art Nouveau era. They have been fully and professionally restored with the brass being bright and crisp yet retaining the patina you would expect from a pair of fire dogs of this age. They are large measuring 14.5" high and 8.25" deep. Delivery within mainland UK is included in the price. We have a large selection of genuine Victorian brass lamps, fire dogs, companions sets and vintage wristwatches and clocks so please do take a look at our other items.
