Description

Fully and professionally restored. This is a wonderful opportunity to own a genuine Victorian solid brass pair of fire dogs and companion set dating to around 1880. They really do stand out because of the fabulous lion mask decoration and turned supports, they are extremely heavy as you would expect. They have been fully and professionally restored with the brass being bright and crisp yet retaining the patina you would expect from a pair of fire dogs of this age. They are large measuring 14" high and 8.25" deep. Delivery within mainland UK is included in the price. We have a large selection of genuine Victorian brass lamps, fire dogs, companions sets and vintage wristwatches and clocks so please do take a look at our other items.
