Description

WE ARE SORRY THIS WATCH IS NOW SOLD. TO SEE OUR LATEST FULLY RESTORED WATCHES PLEASE VISIT OUR MAIN WEBSITE WWW.FOWEYRIVER.COM This is a very fine and exquisite example of a ladies wristwatch made by the premier Swiss maker Longines during the 1940s. It has a large rectangular shaped platinum case surrounded by a row of diamonds and then diamonds to the beautifully shaped lugs, they are evenly matched and are bright, crisp. The case has delicate decoration around the sides. It has approximately 2cts of diamonds. It is quite stunning with a silver dial which is in perfect condition. A new glass has been fitted and the watch case and diamonds professionally cleaned and polished so it is absolutely pristine. The Longines 18 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of swiss watchmaking. The case itself is quite large measuring 23mm x 17mm not including the crown or lugs so the dial extremely easy to read. As you would expect it is marked on the dial and movement Longines and platinum on the case. This is a cocktail watch which has a brand new black velvet strap fitted, the sta...
