Description

Chinese Bronze Baluster Vase - Detailed Relief Work - c1870 A desirable mid-size bronze vase with gorgeous relief detail of Chinese origin during the late 19th century period. The piece offers good weight and deep bronze colour. Showing birds to the outer and sitting upon an inverted crown base the piece has true visual appeal. There is even detail to the inside of the vase. With a fine shape and such an interesting subject matter the baluster will be stunning as either a stand alone item or when used as a receptacle for display of flowers or similar. The vase benefits from excellent condition throughout. Overall a lovely display item and a fine collectable or gift.
