Description

Superb English burr walnut bracket clock by Thwaites and Reed. ~~~ Superb condition throughout ~~~ This is a superb example of an English burr walnut wall bracket clock by the premier clockmaker Thwaites and Reed who are entrusted for the maintenance of internationally important clocks. It has a full Westminster chiming mechanism striking every quarter hour, it does have a silent lever should you wish to turn this off. The burr walnut case has a wonderful rich colour and patina and the grain really does shine through, this is complimented by the original dial with a contrasting silver chapter ring and spandrels. The movement is an outstanding piece of engineering and is totally original. The movement has just undergone a full overhaul, clean and service so you can be assured that this clock is in tip top condition and will give trouble free service for many years to come. It is keeping accurate time to within 1 minute a week. Overall this is an outstanding clock. The clock movement comes with a full 12 month warranty. Dimensions of clock: Height 11" with the handle down, Width is 8", Depth 5.5". Delivery for this item to mainland UK is free and includes fu...
