French 1880s Ormolu Cherub Mantle Clock with Garniture Set

Price

Sold**Item Reference: SA172826****Date of manufacture: 1880**

Description

A stunning French Ormolu Cherub striking mantle clock with garnitures, which dates 1880s. The clock and Garnitures are gilt ormolu. The dial is enamelled with blue roman numerals and has pierced brass hands. The movement is by Vincenti and is a two train movement that strikes on a bell on the hours and half hours accordingly. It is in very good working order and in it's original condition which displays beautifully. The clock measures 36cm height and 24cm width, and the garnitures are 23cm height and 12cm width. Delivery will cost £40 mainland UK

Internal Ref: ps004
