Wonderful Antique English Three Drawer Brass Telescope c.1890

Price

Sold**Item Reference: SA173503****Date of manufacture: 1890**

Description

An unusual Victorian telescope made from wonderful polished solid English brass, which has just been professionally re-polished to gleam. It's unusual due to the covering of the barrel with a black woven fibre and a string natural woven cord top and bottom with a tab integrated into each. The lens has a brass cover and the eye piece has a little integrated shutter to protect the eye hole. Excellent condition, measuring 6" in length extending to 16 1/2" in length.
