Date of manufacture: Georgian

Description

Professionally restored and serviced. English mahogany Westminster Whittington chime bracket clock by Elliott. ~ Excellent condition throughout ~ This is a superb example of an English flame mahogany bracket clock by the premier English clockmaker Elliott. This is was Elliotts top of the range model with full Westminster and Whittington chimes, with chime silence and nighttime silence control. It also has its original setting up instructions on the back of the case. The mahogany case has a wonderful rich colour and patina and the grain really does shine through, this is complimented by the original bronzed dial with a contrasting silver chapter ring. There are figures to each corner of the dial and a central floral motif. The round Latin inscription translates to Time Flies. Very much in the Georgian style and design and made around 1760. The movement is an outstanding piece of engineering and is totally original, it is one of the finest clock movements you will ever see. The movement has just undergone a full overhaul, clean and service by Alan Williams of Plymouth clocks, who is a fellow of the British Horological Institute with over 40 years experience wo...
