

SA174969

PAIR VICTORIAN SMALL CANDLE LAMPS

Price

Sold**Item Reference: SA174969****Date of manufacture: Victorian**

Description

A pair of late Victorian small brass candle lamps with a set of five glass drops on each. They measure 20cm in height to the top of the candle tube, and approximately 11cm across the base. The ornate base is triangular in shape with decorative relief pattern, the lamps are of a very good weight and quality. They have recently been professionally polished (not lacquered) and rewired for the UK market with online switches.

Internal Ref: os/pair
