

SA175570

Twin Fusee Regency Irish Bracket Clock

Price

Sold**Item Reference: SA175570****Date of manufacture: 1800**

Description

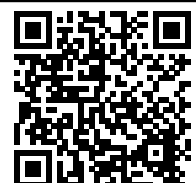

A very impressive, top quality, Regency bracket clock by ROBERT COSTIGAN of DUBLIN. The beautiful flame mahogany case retains its original French-polished finish with a superb colour and rich patina. It is sympathetically enhanced with intricate brass inlay and arched brass sound frets to the sides. It stands on four brass bun feet. The 8" convex painted dial has black Roman numerals and is clearly signed with the makers name. It has a heavy cast brass bezel and convex glass. The 8 day movement has just been fully overhauled by our BHI registered staff. The twin fusee movement is fitted with PULL REPEAT on the hour striking. Importantly, the clock strikes on a bell, giving a very clear, crisp tone. The London style adjustment pendulum is fitted with a screw locking device. The rear glazed door is key lockable. Detailed photographs available of the movement on request. Dimensions:

Height	18"	(46cm)	Width (max)	12"	(30cm)	Depth	7"
(18cm) NEW LOW PRICE !!!
