Description

Here we have one of the best original condition George III Scottish sideboards I've ever offered for sale. Wonderful flame veneered drawers with boxwood line inlay, square tapered legs also with boxwood line inlay and moulded boxwood tops to the splay feet. Five drawers across the front, the two curved end ones both fully fitted for decanters / wine bottles. All drawers with their original early brass locks and oval plate handles. Top section with original tambor doors which run like a dream and the most wonderful original brass gallery. The whole piece in basically original condition with virtually no repairs at all. It retains a lovely original colour and patination only achieved from years of waxing. Would grace any large dining room. Made in Edinburgh at the beginning of the 19th century. SIZE; 7 foot 1" long by 32" from front to back maximum. 38" from the ground to the main top. 44" from the ground to the top of the stage back and 59" high overall including the gallery.
