Description

Superb large and impressive early Victorian five door mahogany breakfront bookcase. Very good original condition throughout. Cupboards below with single fixed shelf in each. Nice shape plinth to the base and cornice to the top. Obviously breaks down for moving. Virtually no veneer repairs or any other repairs. Came out of a solicitors office in Aberdeen which is probably where it had been since new thus the condition. SIZE; 9 foot 4" wide. 21" deep in the centre and 8 1/2 feet high.
