Description

A really wonderful and impressive large inkwell, made even more special being solid in its original presentation case, which certainly is rare to find. The inside of the inkwell is made from thick glass and then encased in a good gauge sterling silver hallmarked for London 1902 (slightly rubbed) with additional partial marks on the interior and the hinged lid. The makers mark is also present (J*P) for J. Parkes, the underside also is engraved with the silversmith's London address J. Parkes, 12 Vigo St. W. Made by a London silversmith, it was in turn retailed by a very smart London retailer, in London's exclusive Mayfair. The silk interior is stamped Harman Lambert & Co. 177 New Bond St. A really superb piece, it would make an exceptional gift. The inkwell has a base diameter measuring 4 1/4" x 2 1/8" tall; the box measuring 5 1/4" (usual minor wear to case). Item ID: 34325 FREE Worldwide Registered Airmail Directly From London, England
