

SA179426

Gustav Becker Vienna Regulator

Price

Sold

Item Reference: SA179426

Date of manufacture: 1890

Description

A very fine example of these popular and sought after wallclocks. Unusually, this one is in an oak case, giving it a uniqueness seldom found. It is medium in colour with a lovely deep, rich patina. The 8 day movement strikes on the half-hour and the hours and has just been fully serviced by our BHI registered staff. The white enamel dial is in pristine condition with no chips, cracks or crazing. It has black Roman numerals and a subsidiary seconds dial. It is clearly signed with the GUSTAV BECKER logo, as is the back of the movement. The brass weights and pendulum are in excellent condition. Complete with original winding key and enamelled beat counter. Dimensions (max):

Height	53"	(135cm)	Width	18"	(46cm)	Depth	7.5"	(19cm)
