A VICTORIAN BEADED CEILING LIGHT

Price

Sold**Item Reference: SA179439****Date of manufacture: Victorian**

Description

We apologise for the terrible photos of what is a one off, completely original, Victorian beaded ceiling light with a brass frame. It measures 35cm across and approximately 37cm in length and has four light fittings inside. All of the beaded strands and swags are original. The brass frame has not been polished and in reality is not as dark as shown, and it has a decorative pattern going around with large brass bows. For further information and perhaps better photographs, please contact us.
