Description

A wonderful and highly decorative desk accessory, this exquisite letter opener is made from solid or sterling silver; one of the most attractive I have had for a while. The handle has a wonderful raised decorative border to the front surrounding a stunning piece of antique tortoiseshell. The blade is engraved on the back creating decoration to the underside. The front of the blade is where the English silver hallmark can be found for Birmingham 1904. The handle and blade are joined with a heavy and highly decorative ferrule. Superb condition measuring 8 7/8" in length. Item ID: 34342 FREE Worldwide Registered Airmail Directly From London, England
