Description

This six arm chandelier dates from around 1910-1940 and is possibly French. The six brass scroll arms have lovely original flat back glass drops, and there are brass arms holding glass drops at the base of the light, then in the center and again at the top of the central glass column. The light measures approx: 56cm in length and 41 cm across. It was wired for the UK approx 8 years ago.
