Description

Professionally restored and converted. This is a fabulous opportunity to acquire a solid brass genuine Victorian table or bedside lamp dated to around 1890. Originally a candlestick with the wonderful baluster design, it has now been converted into a table lamp by a fully qualified electrician and is ready for immediate use. It also comes with brand new cream coloured shade. It is in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of genuine Victorian pieces. It measures 18.5 inches in height including the shades, 13 inches without the shades and the base is 4 inches square. This is a beautiful genuine pair of lamps and not to be confused with reproductions.
