Description

Superb Pair Bentwood Chairs - J & J Kohn - c1890 An excellent pair of quality bentwood chairs by the Austrian manufacturer J & J Kohn. Presented in very good condition and constructed to an excellent standard with quality and style which shows why good examples are in such demand. This Austrian bentwood classic design is hugely attractive, robust, and offers practicality with these chairs being ideal for daily use. The generous 47cm seat height make the chairs suitable for kitchen/dining purposes and the lightness mean that they are easy to move around. Standing upon swept legs with ring stretcher the form flows into the triple stick back. The seat displays a full embossed central cartouche with peacock overtones. A wonderful pair of bentwood chairs that will make a lovely addition to any home or commercial location. Please do not hesitate to contact us if you require further information - we are here to help.
