Description

A good quality Victorian Burr walnut chiffonier with mirrored doors and a two tier shaped upstand which features a lovely scrolled, detailed border. The bottom section of the upstand has a long oval shaped mirror and tapers to the top section which has a very intricate floral carving. The top and cushion drawer of the chiffonier have a serpentine shaped front that stand proud above the 2 mirrored front doors and a shaped apron ending on short cabriole legs. The chiffonier is possibly Swedish, and has been restored using traditional french polishing methods. This chiffonier would make a handsome addition to a variety of room settings.
