Description

This is a delightful Edwardian silver photo frame that has been re-backed to return it to use. Silver photo frames often do not survive in a useable state, due to the nature of the lightweight silver and perishable backing used in their construction. This lovely and decorative example has had the backing reconstructed around the hallmarked silver frame to render it useable once more. Condition :- Excellent, with no dents or splits to the silver. Backing replaced. Hallmarks :- Clear and readable. Maker :- Heath & Middleton. Diameter :- 16 cms. Height :- 17 cms. Photo diameter :- 11.5 cms.
