## Description

What a stunning colour!! Without doubt, the most sought-after colour and for that reason, the hardest to track down. Here is a beautiful example made from English Sterling silver, hallmarked for Birmingham 1913. The back is beautifully engine-turned covered in wonderful pink guilloche enamel framed with a tiny rope decoration. The enamel is undamaged (the white spots are reflections) as is the original bevelled glass ... the silver too in excellent condition with a couple of minuscule dimples. 11" x 4 3/8".
