Description

A superb pair of silver plated candlesticks by the creme-de-la-creme of English silversmith's, Elkington & Co. This is an early pair of plated candlesticks, usually these come along dated to the late Victorian era, these though are much early with a date number, dating these to 1845, so very early Victorian in era; the style is particularly fine and elegant compared to later pairs. Excellent condition, with a base measuring 4 1/2" square x 10" tall. Item ID: 34437 FREE Worldwide Registered Airmail Directly From London, England
