Description

Elm Northern Windsor Chair - Superb Example - c1850 This excellent 'Northern' Windsor chair is a classic design originating from Yorkshire/Nottinghamshire area of England. This piece benefits from a gorgeous depth of grain and colour throughout. It is in great order and is a strong and solid example. The robust look of the chair with its' sturdy turned parts, pierced back-splat and wide arm hoop is typical of the style and makes for a very pleasing chair. With a generous 44cm seat height the chair makes an ideal choice as a daily use piece. The turned and tapered legs are united by a double H-stretcher for a really robust base. Overall an excellent example and wonderfully comfortable too. A classic English country chair and a rare item in this condition. This chair will make a lovely addition to any setting and is ready to give another 160 years of service. Please do not hesitate to contact us if you require further information - we are here to help.
