Description

Set of 6 Upholstered Dining Chairs - Pair Carvers - c1890 A quality set of six upholstered oak framed dining chairs presented in excellent condition. The chair frames are rock solid and English oak combined with excellent build craftsmanship to deliver an exceptionally robust and comfortable set of dining chairs. Turned front legs are united by a barley twist front stretcher. The rear support of the chairs rises with a further pairing of barley twists flanking a classic back with shaped back-splat. The top rail provides additional interest with a diamond pattern in relief. The chairs offer comfort and a very pleasing seating experience. The wool-based textile of the seats is in good serviceable condition, clean, and free of damage. The seats benefit from a 'drop-in' seat design and therefore would be easy to recover if desired. With a 49cm (19.3") seat height these chairs make an ideal set for daily use. The set are in excellent order throughout. Overall a superbly stylish set of six antique chairs which will serve and perform excellently. Top quality and rarely available with the addition of the carvers. Please do not hesitate to contact us if you require further information.
