Description

A good pair of early oil on canvas portraits, laid to board, and dating from the early Victorian period. Rather charming pair depicting man and wife, with the gentleman wearing a prominent velvet blue bow-tie with Albert watch chain visible. His well-groomed wife poses with a serious look of concentration, as the artist depicts her wearing a cameo gold brooch and lace scarf adorned with dry flowers. Both sitters are shown with elbows resting on the matching arms of a sofa upholstered in a wine and florrel pattern, firmly tying together the portraits as a genuine pair, never parted after nearly 160 years. **CONDITION & RECENT RESTORATION** Recently restored and reframed ready to hang. The images are all pre-restoration and all marks and slight blemishes have since been removed. The latest set of images will be added in a week, to show both portraits at their best. **MEASUREMENTS** Height 33 Inches (Including Frame) Width 28 Inches (Including Frame) **TELEPHONE ENQUIRIES: 07765 856171 HOURS 10 AM - 10 PM 7 DAYS A WEEK DELIVERY UK MAINLAND & WORLDWIDE QUOTES AVAILABLE ON REQUEST OUR REF: 0455 * A BARGAIN PRICE**
