Description

The case is gold plated and not polished brass as in the majority of carriage, it is in superb condition, bright and clean. The movement is of high quality and still retains its original cylinder escapement, dial, glass and key. The glass is perfect with no chips or scratches. The movement is in excellent clean and running condition having just undergone a complete and comprehensive overhaul by Alan Williams of Plymouth Clocks who is a fellow of the British Horological Institute so you can be assured that this clock will give trouble free service for many many years before requiring any further attention. A beautiful high quality victorian carriage clock in wonderful condition which will give great pleasure for many years to come. This clock has obviously been highly prized and looked after over the last 130 years and is a credit to its previous owners. The clock movement comes with a full 12 month warranty. Dimensions of clock: Height with the handle up 5.5", Width 3" and Depth 2.5".
