Description

One of the most elegant I have had in some time and one of my very favourites. This top quality example is made in three pieces, a silver plated base and fluted lid and a cut crystal cylindrical box with silver plated collar. The base is stunning standing on four original bun feet and the mark for the top notch silversmith, Walker & Hall. The crystal is cut into graduated sections and alternate panels finely cut further creating a spectacular design. In wonderful condition. The base has a diameter measuring 6 3/4" a rim with a diameter measuring 6" and standing 8 1/4" tall to top of lid finial.
