Description

A set of 4 Large Framed Hunting Prints after J.F.Herring Senior. These are very attractively mounted Prints of the Meet, the Run, the Find & the Kill, they are in their original 2" wide Oak Frames. The colour of the prints is bright and clear and the Herring signature is very clear, though there is a bit of age related staining especially on the mounts. This is a very large and striking set of pictures and does have a sense of Country House Shabby Grandeur. The Frames are 41" wide and 28" high.
