Description

Antique French Clock Set by Japy Freres, Large Gothic Gilt Brass ~ French - Circa 1880 ~ ~ Excellent condition, fully overhauled ~ ~ A Large and impressive original antique French Gothic clock set, beautifully made in gilt brass, very heavy and crisply modelled and with the original gilding remaining. The style is typically French Gothic, architecturally designed with lions masks, hairy paw feet, flowing foliage and surmounted by a bell. The body of the clock is fretted and modelled as a niche embedded in the overgrown foliage. The pendulum can be glimpsed swinging within the case through the fretwork. The matching candelabra are 6 light and the bases are modelled to compliment the design of the clock. Dial is enamel on copper with a cast brass centre and blued steel hands. The egg and dart bezel is fitted with bevelled glass. Antique French movement is by Japy Freres and is of excellent quality. It runs for 8 days on one wind and strikes half-hourly on a bell. It has been fully restored in our workshop and is on excellent clean and running condition. The pendulum is a replacement. Click the video clip below to see and hear the movement working!
