Depth = 59 cm (23.2")

Description

This is a gorgeous 19th Century Ebony and Walnut Cabinet / Sideboard which was made for the Great Exhibition. The four Gilt Romaine panels are metal which is most unusual. On either side of the doors there are metal pillars terminating in Rampant lions. Even the doors on the inside have been carved with linenfold panels. The locks are from Hobbs & co. The buyer will be delighted. Please view my other interesting items. Many thanks Karen
