Description

A lovely late Regency 8 day longcase clock in outstanding condition. The flame mahogany case is inlaid with cross-banded rosewood detail and is beautifully polished with a very rich, deep, warm patina. The arched painted dial has black Roman numerals with subsidiary seconds and date dials. It is completely original, as are the elaborate gilded hands. The 8 day, twin train movement has just been fully overhauled and serviced by our BHI registered staff. It strikes the hours on a bell. A very genuine, sincere clock.
