Description

Double height Corner Display Cabinet - Georgian - c1780 This English double height glazed display cabinet is a splendid example presented in very good condition. From a stepped base the cabinet rises as one piece through a pair of 6 panel glazed doors and terminates with a pleasing and desirable swan-neck pediment at the crown. Of excellent proportion it presents canted corners and a classic appeal with fine mahogany depth of colour and grain. The interior provides double shelves in both upper and lower sections. The doors benefit from locks and working keys. Overall a rare corner display cabinet in this style and condition. This antique is supplied ready for the home.
