Description

Vintage Oak Table - Original Brass Castors - c1910 A superbly presented oak Architects planning table offering fine scope to be used as a kitchen/dining table, desk or study piece. With original solid brass industrial feet caps and castors the table rises through a very robust tapered leg producing a hugely appealing piece with clear feeling of commercial heritage. The piece displays fine condition, is rock solid and has been prepared with a traditional beeswax finish ready for the home. With a height of 77cm the table is very versatile. It will accommodate six diners in comfort. Overall this table is a desirable and practical item of antique furniture and very unusual in this condition and size. The solid oak construction and depth of colour combined with the random faded old ink marks deliver an outstanding collectors piece which will suit even the most contemporary of settings. Please do not hesitate to contact us if you require further information - we are here to help. 153cm (60.2") Long 121cm (47.6") Wide 77cm (30.3") Tall Please see the images for the full dimensions of this item This table is supported by our 100% satisfaction guarantee ** FREE DELIV...
