Description

Late 18th Century Painted Pine Corner Cupboard of Architectural Design and superb Country House proportions. The doors open to reveal shaped shelves. Reeded pillars decorate the sides. With a breakfront cornice to help decorate the top and a breakfront plinth to the base. Would in my opinion make a Great Drinks Cabinet and can be delivered in time for the festive season but used all year round. A lovely warm colour with natural un-touched pine to the interior. As you can see from the images a very impressive piece of furniture. Dimensions; 219cm High x 62cm deep x 136cm Wide As for delivery or shipping to any part of the world this is always a pleasure so please do contact us for a quote? Thanks for looking at this item or any other that we have? best wishes chris
