

SA191583

Pair of Antique Queen Anne Style Burr Walnut Bedside Cabinets

Price

Sold**Item Reference: SA191583****Date of manufacture: 1920**

Description

Good quality pair of walnut bedside cabinets, antique Queen Anne style, dating from around the 1920-30's period. They are in lovely condition, with burr walnut tops & fronts, plus many more great features. The top corners are beautifully carved, as are the solid bold walnut legs & the cabinet corners are canted. They have cupboards, drawers, pull out slides at the top & original brass handles. These pair of bedsides, particularly in walnut are becoming very hard to find & it's the sort of thing I'm always being asked for. Width at the Tops --- 15" (38cm) Depth --- 15" (38) Height --- 28" (71)
