Description

Victorian Ottoman - On Castors - c1850 This lovely Victorian ottoman upholstered seat is a charming example and a desirable size. Standing on original castors the piece rises through a lower mahogany show frame into the tapestry textile body with tassel trim. The whole is covered with a quality heavy tapestry textile. The tapestry fabric benefits from considerable age, displays well, and is in good order with very light signs of age as expected but certainly nothing that detracts from the quality of the piece. Opening to reveal a clean interior and providing comfortable seating this piece is versatile and functional as well as looking fabulous. Overall a rare example in this size and condition.
