Description

This is a very fine and beautiful example of a comport by the world renowned premier Danish manufacturer Royal Copenhagen. It came from an important castle estate sale in Scotland and was probably purchased from new. This is the extremely popular Blue Fluted Lace pattern with the delicate blue floral motif on a white fluted background. It has the three lines and Royal Copenhagen which dates this to between 1880 and 1920. This particular comport is of first quality, there is no scratch through the three lines however there is a small chip to the lace around the rim which is clearly photographed but this is hardly noticeable and certainly does not detract from the piece at all. No restoration has been undertaken. It is large and measures 6 inches high and 14 inches in diameter.
