Description

This is a very heavy, all original, Victorian Banker's lamp, with the original flick on/off switch at the base. It was totally black when we first purchased it, and with gentle polishing we uncovered the beautiful copper underneath. It measures approx 42cm in height and has a 16 x 16cm square base, with the shade measuring 42 cm across. The swivel movement allows for the light to be angled. It weighs 4.4kg.
