Description

Really comfortable antique Victorian Elm armchair. I know it's comfortable, because I've sat in it behind my desk in the shop for the last 28 years & could have sold it hundreds of times, as everyone wanted to buy it. Anyway, it's finally on the market. It's totally original & has just been polished, because I can't tell you how many times I've spilt my tea on it. Width - 55 cm Depth - 55 cm Height - 83 cm Seat height - 45 cm
