Antique Burr Walnut Nest of Tables

Price

Sold**Item Reference: SA192971****Date of manufacture: 1920**

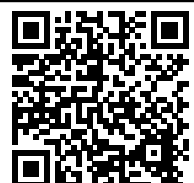

Description

Small elegant antique nest of tables in walnut with a burr walnut oval top in good original condition. They are structurally sound, with kick out legs, cross stretchers & a bottom shelf on the smallest table. I would say they date to around the 1910-20's period & they have a lovely original warm patina. I said the tops are burr walnut, but I actually think they are amboynas. Width --- 23" (59cm) Depth --- 16" (41) Height --- 21" (53)
