

SA192977

Antique Edwardian Burr Walnut Sofa Table

Price

Sold**Item Reference: SA192977****Date of manufacture: 1910**

Description

Top quality antique sofa table in fine original condition, with a lovely warm colour & patina. There is a beautiful burr walnut pattern on the crossbanded top surface & on the drawer fronts, which have brass handles. There are dummy drawers on the back, so this piece looks great from both sides. The side supports are joined by a high cross stretcher, to give it extra stability & the reeded legs have brass capped casters. I would say this table dates to around the 1910 period. Length --- 37.5" (95cm) Length Open --- 60" (153) Depth --- 25" (64) Height --- 27" (69)
