Sold**Item Reference: SA193100****Date of manufacture: 1750**

Description

A particularly good quality late 18th century Sheraton period inlaid TEA CADDY in good original condition. The caddy overall is veneered in finest "flame" mahogany and crossbanded with multiple lines of boxwood; rosewood and ebony, whilst the lid and front are marquetry inlaid with oval panels of a conch shell and a basket of flowers. The canted corners are similarly inlaid on a background of green-stained harewood, and the lid opens to reveal the original (though rather distressed!) lead paper lining. A very attractive caddy.
