Sold**Item Reference: SA194016****Date of manufacture: 1920**

Description

Professionally restored. This is a fabulous opportunity to acquire a pair of solid brass standard lamps dated to around 1920. They are wonderful in the classic corinthian style standing on square bases with lion claw feet and are extremely heavy. They have been totally rewired by a fully qualified electrician and are ready for immediate use. They also come with brand new cream coloured shades. They are in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of pieces of this period. They measure 65 inches in height including the shades, the corinthian tube is 2 inches in diameter and the shades are 21 inches in diameter. This is a beautiful genuine pair of lamps and not to be confused with reproductions.
