Description

A Very Unusual 17th Century Green Man Carved Oak Court Cupboard A Court Cupboard as well preserved as this, is a rare thing to come across, this one is very unusual as to the story related in the Carvings on the front The top has a front panel and 2 carved doors enclosing a shelved cupboard, the centre panel shows a Hostelry. The other carved panels, including those of the bottom cupboard relate a story which seems to demonize the playing of cards and consumption of strong drink, and in the final carving one of the members of the company can be seen being removed by the Devil in a Very Painful Manor The lower section has a large shelved cupboard with two carved doors on the front, the cupboard is a very old and made in solid Oak, it has had very little restoration work carried out on it in the past, and it is in good condition for a piece of this age with a small hole at the bottom of the right hand cupboard The cupboard is 72" high, 58" wide and 24", this is a Heavy piece it does come into 2 to help with transportation but help will be needed to move it VIEW ALL OF OUR CURRENT STOCK AT WWW.ELMGARDEN.CO.UK DELIVERY OF THIS PIECE TO ALL OF MAINLAND ENGLAND AND WAL...
