Description

This is a very fine and beautiful example of a set of 8 name plates made by the world renowned premier Danish manufacturer Royal Copenhagen. It came from an important castle estate sale in Scotland and was probably purchased from new. These are incredibly rare and I have never seen such examples. This is the extremely popular Blue fluted pattern with the delicate blue floral motif on a white fluted background. They are particularly fine, on the outside of the back rests there is a beautifully painted dragonfly and on the inside a flower. One has the DANMARK dating it to between 1880 and 1900 and the other seven the stamp of Royal Copenhagen with the three lines dates them to between 1889 and 1922 after which the stamp changed. They of first quality with no scratch through the three lines to indicate it is a second. There are no chips, cracks and no restoration has been undertaken. Each measures 5 inches high and 3.5 inches wide.
