Description

Antique Clocks ~ Huge Antique French Gilt Brass Clock Set ~ French - Circa 1890 ~ ~ Excellent condition, fully overhauled ~~ A very large and impressive original antique French gilt brass clock set, standing at 30" in height. It is Louis XVI style and features an elaborate fretted panel to the front. It is architectural in style, Corinthian columns to each side, scrolls and acanthus leaves and swags and bows. Candelabra are conforming in style with large classical handled urns surmounted by 6 light candelabrum. The dial is enamel on copper with a pretty floral swag around the inside and is complete with original fretted blued steel hands. The French movement is by Georges Verger et Fils of 51 rue Sainte Anne, Paris. The clockmakers mark is on the movement backplate. It is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is a replacement. It runs for 8 days on one wind and strikes the hours and halves on a bell. Click the video clip below to hear the bell and watch the clock running! Condition of the case is excellent, the original gilding is beautifully clean and bright with hardly any wear or discolouration and th...
