Description

This is a wonderful opportunity to own a genuine Victorian solid brass pair of fire dogs dating to around 1880. They really do stand out because of the fabulous supports, they are heavy as you would expect. They retain the patina you would expect from a pair of fire dogs of this age. They measure 8.5" high and 7.75" deep. Delivery within mainland UK is included in the price. We have a large selection of genuine Victorian brass lighting as well so please take a look at our other items.
