Description

Stylish pair of antique Swedish Satin Birch armchairs in lovely original condition. The wood is a lovely blond colour & the figuring within the wood is stunning, especially on the backs. They have just come over from Sweden, been gently polished & recovered in a grey linen fabric. These chairs have very generous proportions, with wide 'Trafalgar' backs, scroll over arms & sabre legs. I would say they date from around the 1890-1910 period. Pairs of 'Empire' style armchairs like these are becoming extremely hard to find & are very sought after. Width - 22.5", 57 cm Depth - 22.5", 57 cm Height - 34.5", 88 cm Seat height - 18", 46 cm
